Notre Histoire - Our Story

Une lumière intemporelle

Baccaris est une maison d'édition française de luminaires, née de la passion commune de ses fondateurs, Jean-Edouard Cistacq et Myriam Magra, pour le design et les objets intemporels. Leur parcours riche de dix années dans l'univers du design les a menés à franchir un cap : créer une maison à leur image, mêlant héritage et innovation.

Le nom de Baccaris est un hommage à l'héritage familial de Jean-Edouard, il est celui de son arrière-grand-mère collectionneuse et chineuse passionnée de lampes à huile. C'est marqué par les courbes élégantes et

les matériaux raffinés de ces objets de collections qui ont bercé son enfance, que Jean-Edouard a développé une fascination pour les formes et la lumière. Cette passion a forgé une vision unique, où chaque luminaire créé raconte une histoire.

Chez Baccaris, chaque luminaire raconte une histoire, où tradition et modernité s'entrelacent. Nos créations s'adaptent à des intérieurs éclectiques tout en restant fidèles à notre vision : un design classique et intemporel, sublimé par des matériaux d'exception et un souci constant du détail.

Baccaris, où chaque lumière est
un héritage revisité.

A Timeless Light

Baccaris is a French lighting design house, born from the shared passion of its founders, Jean-Edouard Cistacq and Myriam Magra, for design and timeless objects. With ten rich years of experience in the design industry, they took the next step: creating a brand that reflects their vision, blending heritage and innovation.

The name Baccaris is a tribute to Jean-Edouard's family legacy, as it is the surname of his great-grandmother, a passionate collector and seeker of oil lamps. Inspired by the elegant curves and refined materials

of these cherished objects from his childhood, Jean-Edouard developed a fascination for forms and light. This passion shaped a unique vision where every luminaire tells a story.

At Baccaris, every luminaire narrates a story where tradition and modernity intertwine. Our creations adapt seamlessly to eclectic interiors while staying true to our vision: a classic, timeless design elevated by exceptional materials and an unwavering attention to detail.

Baccaris, where every light is a
reimagined legacy.
